

How to become accredited

Access

You will be emailed a link to your online assessment.

This assessment covers all parts of the Big Conversation Framework Facilitator Guide.

You can have your Facilitator Guide with you when you are ready to take the assessment.

Assessment

Complete all of the modules to receive your result.

To pass, you will need a mark of 75% or above.

Don't worry if you don't achieve that the first time around. You have three attempts.

You will receive immediate feedback on the questions that were incorrectly answered. This will support you in your next attempt.

Certification

If you pass, you will automatically receive an electronic certificate.

CPD will be notified and they will send you an official certificate.

You will be listed on the CPD website as a certified huunuu facilitator.

Next steps

Congratulations you are now an accredited huunuu facilitator.
